AAESPH REVIEW
Index to Titles and Authors
Volume 4, 1979, Numbers 1 to 4
Spring, 1979 to Winter, 1979

Accountability in habilitation of the severely and profoundly handicapped. R. H. Horner. (1), 24–35

Anderson, R. *See* Fredericks, H. D.

Baggio, P. *See* Murphey, R. J.

Bailey, R. *See* Wambold, C.

Baker, D. B. Severely handicapped: Toward an inclusive definition. (1), 52–65.

Baldwin, V. See Fredericks, H. D.

Bates, P. E. *See* Karan, O. C.

Baumgart, D. *See* Brown, L.

Behavior analysis and the principle of normalization. K. D. Keith. (2), 148–151.

Bernstein, G. S. *See* Karan, O. C.

Branston, M. B. *See* Brown, L.

Branston-McClean, M. B. *See* Brown, L.

Brown, L., Branston, M. B., Hamre-Nietupski, S., Johnson, F., Wilcox, B., & Gruenewald, L. A rationale for comprehensive longitudinal interactions between severely handicapped students and nonhandicapped students and other citizens. (1), 3–14.

Brown, L., Branston-McClean, M. B., Baumgart, D., Vincent, L., Falvey, M., & Schroeder, J. Using the characteristics of current and subsequent least restrictive environments in the development of curricular content for severely handicapped students. (4), 407–424.

A comparison of precedures to increase responding in three severely retarded, noncompliant young adults. D. E. Mithaug. (1), 66–80.

Cooper, M. *See* McCormick, L.

Dealing with the low production rates of severely retarded workers. R. H. Horner, B. Lahren, T. P. Schwartz, C. T. O'Neill, J. D. Hunter. (2), 202–212.

Developmental characteristics of severely and profoundly handicapped. S. Levine, F. F. Elzey, & B. Fiske-Rollin. (1), 36–51.

Dever, R. B. *See* Knapczyk, D. R.

Effectiveness and generalization of overcorrection procedures with the sterotyped behavior of a severely retarded adult. H. Rose. (2), 196–201.

Effects of pairing manual signs with verbal cues upon the acquisition of instruction-following behaviors and the generalization to expressive language with severely handicapped students. F. L. Kohl, G. R. Karlan, & L. W. Heal. (3), 291–300.

The effects of physical time-out on the aggressive behaviors of a severely emotionally disturbed child in a school setting. M. Noll & R. L. Simpson. (4), 399–406.

Elzey, F. F. *See* Levine, S.

Evans, R. G. The reduction of hyperactive behavior in three profoundly retarded adolescents through increased stimulation. (3), 259–263.

An extended evaluation model for severely handicapped persons. O. C. Karan, G. S. Bernstein, J. R. Harvey, P. E. Bates, A. Renzaglia, & D. Rosenthal. (4), 374–398.

Falvey, M. *See* Brown, L.

Fiske-Rollin, B. *See* Levine, S.

Fredericks, H. D., Anderson, R., & Baldwin, V. The identification of competency indicators of teachers of the severely handicapped. (1), 81–95.

Fristoe, M. *See* Lloyd, L. L.

Goldman, R. *See* McCormick, L.

Greunewald, L. *See* Brown, L.

Habituation of visual fixation responses: An assessment tool to measure visual sensory-perceptual cognitive processes in nonverbal profoundly handicapped children in the classroom. H. N. Switzky, J. Woolsey-Hill, & T. Quoss. (2), 136–147.

Hamre-Nietupski, S. *See* Brown, L.

Hamre-Nietupski, S. *See* Nietupski, J.

Hanley, C. D. *See* Orelove, F. P.

Harvey, J. R. *See* Karan, O. C.

Heal, L. W. *See* Kohl, F. L.

Helping severely handicapped persons enter competitive employment. P. Wehman, J. W. Hill & F. Koehler. (3), 274–290.

Hill, J. W. *See* Wehman, P.

Horner, R. H. Accountability in habilitation of the severely retarded: The issue of informed consent. (1), 24–35.

Horner, R. H., Lahren, B., Schwartz, T. P., O'Neill, C. T., & Hunter, J. D. Dealing with the low producation rates of severely retarded workers. (2), 202–212.

Hudson, C. *See* Sowers, J.

Hunter, J. D. *See* Horner, R. H.

Identification of competency indicators of teachers of the severely handicapped. H. D. Fredericks, R. Anderson, & V. Baldwin. (1), 81–95.

Improving the leisure-time behaviors of severely/profoundly mentally retarded children through toy play. C. Wambold, & R. Bailey. (3), 237–250.

Instructional strategies for improving toy play skills of severely handicapped children. P. Wehman. (2), 125–135.

Johnson, F. *See* Brown, L.

Karan, O. C., Bernstein, G. S., Harvey, J. R., Bates, P. E., Renzaglia, A., & Rosenthal, D. An extended evaluation model for severely handicapped persons. (4), 374–398.

Karlan, G. R. *See* Kohl, F. L.

Keith, K. D. Behavior analysis and the principle of normalization. (2), 148–151.

Koehler, F. *See* Wehman, P.

Kohl, F. L., Karlan, G. R., & L. W. Heal. Effects of pairing manual signs with verbal cues upon the acquisition of instruction-following behaviors and the generalization to expressive language with severely handicapped students. (3), 291–300.
